1. SENDS. IT IS MY CONSIDERED OPINION THAT WE MUST AT LEAST ATTEMPT TO SECURE MORE DETAILED INFORMATION FROM [REDACTED] REGARDING HIS PRECISE ACTIONS PARTICULARLY DURING THE LAST FEW MINUTES OF FLIGHT. I SUGGEST A TWO STEP PROCESS.

A. HYPNOSIS, AND

B. ADMINISTRATION OF SODIUM PENTOTHAL IF PARA 1 A NOT SUCCESSFUL.

2. BOTH THESE STEPS TO BE TAKEN UNDER DIRECT SUPERVISION OF COMPETENT MEDICAL OFFICIALS.

3. THE QUESTION OF "PRECISELY WHAT HAPPENED" IS STILL VERY CONFUSING AND PROMISES TO REMAIN THAT WAY UNLESS WE CAN ACHIEVE A MORE DEFINITE RECALL OF VARIOUS INSTRUMENT READINGS FROM [REDACTED]

I WISH TO EMPHASIZE MOST STRONGLY [REDACTED] COMPLETELY COOPERATIVE AND APPARENTLY ABSOLUTELY HONEST. IF HQ APPROVES REQUEST IMMEDIATE IMPLEMENTING STEPS BE TAKEN. REQUEST ALL ACTIONS BE COORDINATED WITH [REDACTED]
